

WINS FOR CHILDREN

PRE-K

Helped increase investment by tens of millions of dollars in early childhood education programs such as Voluntary Pre-Kindergarten (VPK), free to any four-year-old in Florida.

PARENT RESOURCES

Gained state support to create Help Me Grow Florida, a comprehensive parent resource system available by calling 211. It is now available in 32 counties.

READINGPALS

Launched and manage a statewide initiative, ReadingPals, with our partner, United Way. This early literacy program engages about 2,500 trained volunteers in a weekly mentorship of more than 3,000 young children from pre-kindergarten to third grade.

WINS FOR CHILDREN

PARTNERSHIPS

Partnered with the Florida Chamber of Commerce to create **The Business Alliance for Early Learning**, a business-led coalition focused on creating a world-class early education system in Florida.

HEALTH CARE

Expanded access to quality health care for **tens of thousands of children** by removing unnecessary waiting periods.

EARLY LEARNING QUALITY MEASURES

Thanks to the united voices of early childhood advocates across Florida we were able to help push for **quality measures for early learning centers**, which will promote centers that are effective and produce positive results for children across the state.

childrensmovementflorida.org

We are proud to have played a part in these wins together with other organizations that champion early childhood issues.
